

## BENEFITS OF PREPAINTED METAL SEMINAR

MONDAY, APRIL 30, 2018

The National Coil Coating Association (NCCA) with the support of its member companies is pleased to offer a free seminar for architects and specifiers with the opportunity to earn up to 3 CEU credits. Attendees will learn about prepainted metal and how it can meet modern design and environmental requirements while offering cost-effective solutions for builders and building owners.

**WHO IS NCCA?** NCCA is the leading association of businesses engaged in the process of coating coiled metals. Coil coating is an automated process that permits a high degree of customized coatings to produce a cost-effective, environmentally friendly, quality product.

**WHEN IS IT?** Monday, April 30, 2018, from 1:30 – 5:30 p.m., in conjunction with the NCCA Annual Meeting.

**WHAT'S INCLUDED?**

- 1. Seminar** – 3 AIA approved CEU courses presented by NCCA member companies: Brightsmith, Shepherd Colzvor and Valspar, will provide information on the following:
  - a. advantages of building with metal,
  - b. overview of the coil coating process,
  - c. coating components and their role in the process,
  - d. the manufacturing process and coating chemistry,
  - e. the importance of proper treatment of metal and test methods that are employed for quality control.
- 2. Product Display** – A display of prepainted products that demonstrate a variety of colors and aesthetic effects.
- 3. Networking Reception** – All participants are invited to stay and attend the complimentary networking reception to mingle with industry members and enjoy cocktails and appetizers. (5:30 p.m. to 7:30 p.m.)
- 4. Drawing** – Put your business card in a bowl for a chance to win prizes.

**WHO IS IT FOR?** The seminar is for architects and specifiers interested in learning more about prepainted metal in construction and earning CEU credits.

**WHERE IS IT?** The Eilan Hotel, 18603 La Cantera Terrace, San Antonio, Texas, 78256 in the Incanto Ballroom.

**HOW DO I REGISTER?** To register for Architect's Day, go to the **registration page for full details**. There is no cost to architects or specifiers for this event, but space is limited to three members from any firm.

**IS THERE A DEADLINE?** Space is limited, so we would prefer that you register online by **March 26, 2018**; however, registration will be available onsite on the day of the seminar.

**QUESTIONS?** If you have any questions, contact the NCCA office at 216-241-7333.
